Recently Purchased Roseville House

This seller in Roseville heard us on our radio ad and called in about his rental house. He was an experienced landlord but had a long-term tenant treat this house poorly and decided he would rather sell this one off. It also had an old wood shake roof that needed replacement. We set an appointment the next day to meet with him and we worked out a deal on the spot. 9 day close, AS-IS, All Cash. 9 Days later we closed just as we promised! Another happy Bridgehaven Homes client.

Closed recently on this Sacramento home! Located in a great neighborhood but mostly all original. The seller was in contract on a new house and the previous buyer fell out. We were able to save the day and become the new buyer and close in 10 days while providing a 7 day rentback so he could move his stuff. Win-Win!

Tired of being a landlord?! This landlord was tired of managing tenants and wanted to liquidate his portfolio. We made a deal on 3 of his properties! It saved him hassle by having a cash buyer who could buy more than just one property and not deal with multiple different buyers in multiple different transactions. This is number 3 of 3

As Heard On The Pat Walsh Show On KFBK

You have probably heard me talk about my partnership with Bridgehaven Homes on my radio show. Erin and Shane, the owners, live locally here in Rocklin and their business allows you to sell your house directly to them no matter what it looks like. Its really that simple. They truly care about people and I've heard the stories from their customers after working with them. I trust them and you can too. There isn't a better company to pick to work with than Bridgehaven Homes.
